## Part B

## **CRITERION I – CURRICULAR ASPECTS**

## 1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

At the beginning of the course the institution distributes the syllabus to each student and conducts Induction programme for the new batch of students. The staff under the leadership of the principal discusses the entire curriculum and prepares the time table according to the credit given to each course. Planning and executing Strategies to connect Scholastic and Co-scholastic areas in order to provide an opportunity to realize the curricular objectives. The frequent formal and informal academic deliberations with the principal and among the faculties provide suitable suggestions to incorporate innovative methods of teaching. Preparation of an annual calendar of events for the institution on par with the Bangalore University Calendar of events The portfolio distribution among the faculty at the beginning of the academic year helps each faculty to work out an action plan and inturn this acts strong strategy to achieve expected learning outcomes . The planning and execution of Internship programme in three different phases i.e, pre. school and post internship programme was done systematically. Firstly a sufficient amount of theoretical inputs followed by demonstrations by the teacher educators will be done. Secondly student teachers plan accordingly to practice, where they will be provided corrections interms of constructive suggestions. With this student teachers practice in groups, where they receive feedback from peers as well as from teacher educators.

1.4 – Feedback System				
1.4.1 – Whether structured feedback re	eceived from all the	stakeholders.		
Students		Yes		
Teachers		Yes		
Employers		No		
Alumni		No		
Parents			Yes	

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained

The feedback obtained at the end of the academic years from students about teachers is analysed by the principal and given to the respective teachereducators. Teacher-educators analyze the responses given by the students and find out the strength and weaknesses of their performance. Based upon the feedback, they make changes to their teaching. The IQAC analyses the strengths of the college and the areas where improvement is needed and also analyses the feedback collected from teachers on curriculum and course, teaching, learning, evaluation research, facilities, governance, and management. The feedback from parents and Alumni is collected during the general body meeting. Alumni members are satisfied with the warm welcome and opportunities for regular interactions arranged by the college for them. Parents are proud of the institution, the commitment of teachers, and the facilities of the college. All have an appreciation for the preparation and training given to students for cracking TET and CTET, exams. Feedback from the practice teaching schools is collected at the end of the internship program each year. The suggestions of the heads and mentor teachers of the schools are analyzed and the needed changes are incorporated .

## **CRITERION II – TEACHING- LEARNING AND EVALUATION**

2.5.2 - Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

The internal assessment is planned as per the university guidelines by doing required modifications. The responsibility of planning and executing is done by assigning the task to one of the faculty member on rotation basis. For theory papers assessment, our institution is planned to conduct two internal tests during each semester for 20 and 40 marks respectively. Further 40 marks test in major papers will be reduced to 15 marks and for half papers 20 marks will be reduced to 5 marks. The other major area of assessment is course specific Assignments, Practical activities and pre, school and post internship programme, all these are done by following systematic procedures. For the evaluation of community projects and surveys punctuality, data collection, compilation, involvement, etc are considered.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

The college prepares detailed and comprehensive academic calendar in par with Bangalore University prescribed calendar of events. The calendar is planned and prepared after having discussions in faculty meetings. wherein all scholastic and co-scholastic activities- celebration of national festivals, observing National and International significant days, guest lectures on area of significance etc for the current academic year are decided to include. One faculty member in the name of the Staff advisor portfolio will be made responsible for finalising the calendar of events by having a discussion with Principal. The schedule in the calendar is strictly followed for conducting the various academic events including examinations, and internship programme along with celebrations except in the case of unforeseen events. Internal evaluation of theory courses was done by two class tests and the related practicum prescribed in the syllabus. The Choice based credit and semester system is followed. All the faculty members keep a daily work done diary on regular

basis.

5.3.2 - Activity of Student Council & amp; representation of students on academic & amp; administrative bodies/committees of the institution (maximum 500 words) Elected members of Student activity centre and all the student teachers are involved in OATH -TAKING CEREMONY during the Inauguration of the Student activity centre. The formal ceremony of Oath-taking was held , conferring the authority and responsibility to the representatives of the Student Activity Centre and all the student teachers. The initiation and Induction programme was conducted for newcomers to develop the awareness and to provide a comprehensive view of B.Ed Course. During induction programme, each faculty members oriented on topics like about institution, importance of prayer, sports, library, course requirement, internship programme, morning assembly etc., guidance and practice was given for the student teachers to do the meditation every day. It helps to enhance their concentration in the classes by overcoming the stress and tensions and by doing this they do find solution to academic and psychological problems. Dance drama, self-composed poem, painting, quilling, making of wall hangings, group dance competition was conducted to enhance through paper presentation and singing bhajans. A cleaning campaign programme was organised on 2nd October 2016, under the 'Swachh Eharart Abhiyan' in connection with Gandhi Jayanthi. ANTI RAGGING AWARENESS PROGRAMME An anti-ragging awareness programme was conducted by the College. Student Activities Center members are involved in all the programmes of the college. A Debate Competition, pick and speak competition was organized in which students were took part and spoke for and against and spontaneously in both competition								

celebrated in order to know about the sacrifice of our great freedom fighters and their contribution to the country. Intercollegiate sports, cultural, and literary competition was conducted for the student teachers of Bangalore University B.Ed colleges. In the college pick and speak, Debate are literary activities, Solo dance and Solo song are cultural, and shuttle doubles, and carrom are sports competitions. These intercollegiate competitions were organized in collaboration with Alumni Association. Community living camp is one of the unique activities in B.Ed programme. The students will come to know about many activities and programmes with the help of this camp. As per the Bangalore University norms, it is for three days. During Camp we organize awareness programmes like yoga and meditation, the importance and advantages of practicing Mudras, first aid awareness, life skills awareness, etc. Visiting to blind school is a totally different programme for students. It helps them to understand the challenges of life and how to help such students in inclusive setting. Student teachers visit a nearby village and perform a street play based on the Camp theme. It was developing awareness among village people. They feel happy to see such street plays. Every day, the routine work like doing prayer, meditation, and physical jerks from all the students during the early morning followed by mass PT. The campfire is one of the unique activity during community living camp which symbolises the high aspirations that need to be set by student teachers like a flame.

#### 5.4 – Alumni Engagement

5.4.1 – Whether the institution has registered Alumni Association?

No

5.4.2 – No. of enrolled Alumni:

550

5.4.3 – Alumni contribution during the year (in Rupees) :

5000

5.4.4 - Meetings/activities organized by Alumni Association :

An Alumni association meeting was conducted. Intercollege sports, literary and cultural competition was organized in collaboration with alumni association for the student teachers of B.Ed Colleges, Bangalore University

#### CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

#### 6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

Management of the institution is highly cooperative and encouraging to put forth the plan of action planned in the beginning of the academic year. The principal presents the previous academic year accomplished report as well as the academic calendar of events for the present batch in the governing council meeting. The council reviews the report and plan of action, and after having discussion, it provides valuable suggestions. After obtaining the approval from the management of the college, the staff council whose members are the principal and the faculty. It plans further to implement the decisions taken by the Governing council. Next to that, the student council which will be headed by one faculty member on rotation . It comprises the principal as chairperson, one faculty as staff advisor, and elected members of the student activity center. It functions at the root level to implement the plan of action by having a discussion at the beginning of each activity execution. The portfolio

distribution among faculty members and decentralisation of work among the administrative and academic staff under the guidance of management and the principal proves to be an effective strategy to execute the planned activities of various kinds all through the academic year. The portfolios such as staff Council, student council, Internship programme, Guest lectures, seminars, tests and examination, community living camp, educational tour, sports, Literary and cultural activities all these are headed by one faculty member under the guidance of management and principal. All these subsystems function by having the goal of achieving the course, subject, and activity-specific outcomes. It is a continuous and comprehensive process where management shows cooperation and participation at all levels. This decentralization happens from 1. Planning prescribed curriculum 2. Organizing seminars and conferences pertaining to quality improvement 3. Conduct of in-house competitions 4. Intercollege sports, literary and Cultural competitions 5. Scheduling internship programme 6. Organizing extension activities 7. Design of faculty development programmes 8. Planning for parent meeting, 9. Scheduling Alumni meeting 10. Designing courses to enhance Communication Skills among students 11. Conducting workshops for internship school teachers on need-based areas 12. Organizing community awareness programs on different special occasions and 13. organize placement services and interviews as per the requirements of the students. Faculty are encouraged to plan academic activities as per the need of the paper and execute them in their own individual strategies and through institutions and extension services. Therefore, there is a method of decentralising and delegation designated at all levels to the staff members to facilitate diversification in decision-making.

#### 6.1.2 – Does the institution have a Management Information System (MIS)?

No

### 6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement stratec	ies adopted by the institution for	each of the following (with in 100 words each):

Strategy Type	Details
Teaching and Learning	Content enrichment programme before starting of pedagogy papers refreshes the content knowledge of student teachers . In order to strengthen the pedagogy training our institution conducts communication skills orientation and practice along with , teaching skills, simulated lessons. Which helps student teachers to be in touch with basic subject specific content and methods of transaction, which in turn helps them to do excellent performance in the different phases of internship programme .Components of soft skills and values need to be inculcated among student teachers are blended into the instructional process and design of each lesson by the faculty is done based on the integaration ICT and life skills. This blended approach enables
	the teacher-educators to model pedagogy as an integrated approach of content across discipline with a blend of Philosophical, Psychological and

	Technological foundations
Examination and Evaluation	In order to find out the content mastery among student teachers, a pretest will be given before starting pedagogy papers and then prescribed subject specific content in the pedagogy papers transaction will be done by using student centric approaches followed by post test on content enrichment is administered. For those students whose achievement falls below the expected level are given remedial instruction.As a part of Continuous and comprehensive evaluation, two internal tests are conducted for 20 and 40 marks in each paper along with assigning seminars and practical activities. Which helps student teachers to prepare for the term-end examination. Term-end exams are conducted for 70 marks in major papers and 35 marks in minor papers as per the Bangalore University Examination norms.Even though term end semester exams are conducted as per university norms, the continuous comprehensive evaluation techniques followed in the institution reveals student teachers abilities in different scholastic and co scholastic activities. The tests such as intelligence tests(Jalota's group intelligence and Raven's progressive matrices), personality tests( Eysenck's personality, 16PF), Interest inventory, Mirror drawing test, Division of attention, Memory test and other psychological tests orientation and administration for student teachers gives them an insight about
	school students as part of their assignments during IV semester
Research and Development	As a part of III semester Action research paper, each student teacher is supposed to conduct action research. The training to conduct action research is done in general by the faculty member who teaches Action research papers in II semester and later each faculty member who engages in specific pedagogy will provide intensive training by making student teachers to prepare action research proposals. This is how student teachers are acquainted with basic research skills. Further,

Library, ICT and Physical	these research skills are enhanced by guiding them to Undertake community research projects during IV semester Orientation on innovative methods of
Infrastructure / Instrumentation	teaching and opportunity to implement them during school internship programme is one of our strong area of achievement. Library, ICT lab/Computer lab and Physical Infrastructure of the institution are made available to student teachers during college hours and the extended working hours. All classrooms are spacious and well- ventilated and equipped with sufficient number of lights, fans and other requirements like LCD projectors
Human Resource Management	Professional development of teacher educators are achieved by encouraging faculty members to enroll for Ph.D programme at different universities like Mangalore University , Mysore University and Karnatak University. Teacher educators involved in extension activities in collaboration with internship schools by having conducting need based faculty development programmes. Student teachers are provided systematic training in pedagogy skills by incorporating innovative methods of teaching along with the prescribed Internship activities. The student teachers in turn involved in providing training for the students for the various competitions and exhibitions at internship schools and they have to conduct any one or two co scholastic activities for school children. The college provides opportunities to attend various extension activities. Student teachers have taken a role in Karnataka Govt. quality control examination as examiners at different scheduled schools.
Industry Interaction / Collaboration	The college has 18 -20 practice teaching /cooperating schools. The faculty of the college offer motivation classes for students and training for parents. The Illiterates and the Neo Literates of the society are given motivation classes by the faculty and the student teachers.
Admission of Students	. Admission of Students Based on centralized admission through counselling by the State government followed by counselling at the

	institutional level by the Principal informing the probable candidates about the functioning of autonomous college and other details related to the candidate is acquired.
Curriculum Development	Curriculum transaction especially theory papers prescribed for the course is planned as per the emphasis laid in the syllabus by preparing a timetable at the beginning of the academic year. Caution will be taken to include sports, practicum, mentoring, library, and ICT periods in the timetable in order to provide student teachers a maximum flexibility to achieve course objectives.The planned activities in the calendar of events are executed by providing a holistic real-life experience at college as well as outside college for curricular, co- curricular, and aesthetic domains in the curriculum.

6.2.2 – Implementation of e-governance in areas of operations:

E-governace area	Details
Planning and Development	The Staff council under the leadership of principal conducts series of discussions regarding the development of institution in terms of administrative and academic aspects. After resolving the planned calendar of events to have suggested modifications from the governing council, the Academic calendar committee does required modifications and finalizes the same. And then each faculty members according to their respective portfolios prepares the Action Plan for the academic year. The draft of this action plan is circulated among all the faculty members for the modification in the specific events of the academic calendar.
Administration	Administrative work is decentralized under the leadership of the principal. Information received from the joint Director, Collegiate Education, and University level are conveyed to all the members of the college through e- mail. Bio- metric attendance for all the faculties is recorded to monitor the discipline, similarly, all the faculty members follow the rules and regulations of the institution for the quality sustenance.
Finance and Accounts	Student's scholarship is provided

		<pre>through the social welfare department, Bengaluru. All the required [procedures will be followed up by the administrative staff under the guidance of the principal. Since the institution is an aided college, a Salary for teaching and non-teaching staff is provided through HRMS, Karnataka from the concerned authority.</pre>						
Student Ad	mission and Supp	port	the concerned authority. Government quota students admission is done through centralised admission cell and management quota seats are filled by the college by having certain norms on par with department of collegiate education and affiliated body. The college has a Grievance Redressed cell, Human Rights cell and an Anti -sexual harassment cell. Grievances related to ragging can be submitted to the Principal or to concerned cell in charge. Special facilities are provided for the differently abled, minorities, SC/ ST students.

## 7.2 – Best Practices

7.2.1 - Describe at least two institutional best practices

• Content Enrichment programme • Emphasis on reflection and documentation • News in Education programme by Deccan Herald paper • Co-curricular activities related to Cultural, Literary and sports • Organising Extension activities to faculty members • Community awareness programmes • Conducting community research projects • Introduction of general knowledge questions to morning assembly Content Enrichment programme: The unique programme conducted in our college to provide opportunity for student teachers to refresh their learnt content knowledge in the general degree. This practice not only proved to be the ways and means to refresh their learnt knowledge but plays significant role in performing students extraordinary good in different phases of internship programme- pre ,school and post internship programme. Even this helped student teachers to get through competitive examinations. News in Education-by Deccan herald By having MOU with Deccan herald -News in Education programme, student teachers use to get daily newspaper as their personal copy. In order to get maximum benefit from this, student teachers were provided an opportunity in every day class timings, 15 minutes time allotment was made for reading

session. This helped them to develop language competencies along with developing good study habits as well as to improve general knowledge.

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

#### 7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

? Content enrichment programme ? News in Education by Deccan Herald ? Mentoring sessions to support students to achieve to their best ? Regular Assembly with value based thoughts ? Brain feed - screening thought process enhancing short videos and emphasizing reflections from student teachers ? Holistic development of student teachers by balancing curricular, co-curricular and sports activities ? Organizing intercollege sports, cultural and literary competitions ? Mastery of the selected school subjects ? Humanistic approach to teaching emphasized. ? Variation in teaching strategies to cater to diversified learners: Multiple Intelligence strategies ? Modelling different types of teaching such as Constructivism, Concept Attainment, Inquiry, Jurisprudential, ICT-based teaching learning. ? Blended learning to cater to different learning styles

Provide the weblink of the institution

#### 8. Future Plans of Actions for Next Academic Year

• Planning for ICT integrated course • Organising Faculty development programme • Emphasising training programmes for competitive exams • Undertaking research projects in the concerned areas • Activating all IQAC cells functioning towards qualitative Improvement.
