	provide scope for the innovation, research and extension and projects undertaken by the faculty members.	The same has been send to the dean of the Department of Education.
<b>Employer Feedback</b>	The employers also recommended to those student teachers need to improve their content and communication skills and manage the classroom and increase the students' participation in the instructional process.	The management had taken the decision to introduce orientation and workshops on communication skills and content based presentations. It is also resolved that both faculty and students to have to communicate in English language. Bridge course will be organized to improve the communication ability and content presentations in the respective pedagogies.
<b>Alumni Feedback</b>	The alumni also recommending that the institution need to organize more number of activities in collaboration with alumni, curriculum of the course need to revise and revamp as per the present educational requirements of the students and community.	In the academic council meeting this recommendation was considered and honest decision was taken to organize more number of activities in collaboration with alumni association. In the alumni meeting it has to bring into the notice the
