### **CULTURAL AND LITERARY ACTIVITIES**

Sri Sarvajna College of Education, Vijayanagar, Bangalore has not only focussed on the cognitive development of its student-teachers but have given immense importance to their development of personality interms of affective and psychomotor domains.

The institution provides continual motivation and support to bring out the talents of its student-teachers and sets platform throughout the course to exhibit them.

Cultural and literary committee exposes the students to many activities required to become a skillfull teacher like essay writing, debates, group discussions, paper presentations on theme based, self-composed poems, stories, skits, pick and speak, quiz, educational rangoli , paintings with message, theme based quilling and greeting cards, charts, models of low cost materials, collage, wall magazines, posters, creative paper art, puppet presentations, community songs, devotional emotional, patriotic, folk songs, dance dramas, preparation of properties required for dramas, dances of India and Yoga.

### Objectives of Cultural and Literary Committee

1. To motivate student-teachers to develop creative and innovative thinking skills
2. To encourage holistic development of each student-teacher and thereby refining their performances.
3. To strengthen the skills of teachers by blending teaching with suitable co-curricular activities
- 4 .To know about the requisites of planning, organising, executing and recording of various cultural and literary activities.

5. To develop ethical, social, intellectual and aesthetical values among student-teachers through individual and group activities
6. To identify the talents of student-teachers and providing platform to exhibit them.
7. To provide appropriate understanding of the need and importance of cultural and literary activities for a teacher.
