REPORT OF SCHOOL INTERNSHIP PROGRAMME

2022-24

School internship programme is the major activity of B.Ed two year CBCS Scheme which falls during 3rd semester as prescribed by Bangalore University. Our institution planned the activities to orient, demonstrate and discuss on major segments like preparation and writing of lessons plans, innovative teaching methods, preparation and administration of achievement test and lastly preparation, maintenance and usage of instructional aids using instructional materials including ICT.

It was planned to send the students to collect units from practice teaching schools which included BBMP Schools and private English medium schools. Student-teachers collected units from the respective schools to which they were assigned with proper permissions from the authorities of the school on 1th December 2023.

From 1st December 2023 to 4rd December 2023 demonstration of Macro lessons were given by each faculty in their respective methods which was followed by rigorous feedback and discussions. The demo lessons were also given by our alumni in subjects Social Science, Mathematics and kannada.

On 5th December and 6th December of 2023, orientation on innovative teaching methods was scheduled given by the faculty members which included description, implementation and writing of lessons plans. Dr Veena MS oriented on Experiential Learning, Dr Srinivasacharlu oriented on 5E model, Dr Umashree DK on Station Teaching and Inquiry Training model, Dr Sushma Patil on Diagnostic-Prescriptive Teaching and Learning, Dr Vijayendra MC on Reflective Teaching and Sri Srinivashmurthy HD on Team Teaching. Dr Umashree DK took up as session on writing action research proposals and preparation of action research projects.

Further, the orientation program focused on preparation and administration of achievement test on 7th December 2023 which included the meaning and importance of achievement test, item construction, design of achievement test (Weightage tables and blue print) and item analysis. Further, on 8th December 2023 orientation on preparation of instructional aids and ICT tools was done.

School internship was scheduled from 11th December 2023 to 28th February 2024, where student-teachers were allotted in six schools which were BBMP High Schools of Chamarajapette, Vidhyaranayanagar, Byraweshranagar, Sri Ragavendra English medium High School, Sri Sarvajna Public School and Sri Sarvajna High School. The school Internship programme included presentation of lessons in both pedagogies out of which 18 lessons were based on evaluation approach to 5E approach and one innovative method. Each student-teacher was required to organize and conduct cultural and literary activities, action research, achievement test, celebration of significant days involvement in activities like preparation of question paper, maintenance of school records and criticism lesson. It was an accumulation of various activities, experiences and take-aways by the student-teachers, who were continuously given feedback by the faculty, school head master and teachers which helped them to improve their teaching skills, organizational abilities and good social connectivity.
