INTRODUCTION:

About

The Sri Sarvajna College of Education Library was established in the year 1980. The library is set up in a very spacious hall which is ventilated, well lighted with sufficient number of lights, fans, seating arrangements, cupboards, references, periodicals, stands, computers and so on. It's been a place with healthy atmosphere to read, write, gain knowledge and also well acquainted with all facilities. The library is actively rendering its service with coordination and cooperation of the Management, Principal, Faculty and Student-teachers since years.

Know your library

The library has a rich collection of about 11,433 books and is subscribing 20 journals, magazines and news papers. The library has four sections namely:

- 1) General library section
- 2) Reference section
- 3) Newspaper section
- 4) Periodical section

The books are classified, catalogued and arranged in open stocks to enable the students to have close access to books. The reference books and the latest editions of books are arranged subject-wise in cupboards and are issued to the readers on request.

Services of the library

The students are issued three books at a time which are able to be retrieved within a fortnight. The new edition books are issued for overnight reference only. The students are allowed to borrow books on all working days. There are maps, charts and Compact discs. Here learning resources are issued to the students during pre-internship, school internship, criticism lessons and practical examinations along with the regular references related to subjects.

The old question papers are bound and given to students for reference only.

Internet facilities are also made available to access e-resources .

OBJECTIVES OF THE LIBRARY

1. To provide a comfortable seating arrangement for both teachers and students.
2. To supplement the curricular taught in various subjects of B.Ed programming in the institution.
